

By accessing or using the Premier Luxury Suites website, you agree to the terms of this online Privacy Policy, as outlined below:

This Privacy Policy discloses the privacy practices for www.premierluxury.com. This notice applies solely to the information collected by this website. It will notify you of the following:

- a. What personally identifiable information is being collected from you through the website, how it is used and with whom it is shared.
- b. What choices are available to you regarding the use of your data.
- c. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

Premier Luxury Suites is the sole owner of the information collected on this website. We only have access to collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will only use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than necessary to fulfill your request, e.g. to approve credit/background checks or approve building occupant approval upon application submission.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this policy.

Your Access to and Control over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- Have us delete any data we have about you
- See what data we have about you, if any
- Express any concern you have about our use of your data
- Change/correct any data we have about you

The European Parliament passed the General Data Protection Regulation “GDPR” in April 2015. While the regulation mandates that Premier Luxury Suites protect the personal data and privacy of EU data subjects, Premier Luxury Suites is committed to extending its many protections to all of its customers across the US. If there is any conflict between the policies in this privacy policy and GDPR, the GDPR principles shall govern.
